

THE HOTEL KART RACE

Attention ; General Manager

Reference ; 4 and 5 stars Hotel Managers Kart race **17th October 2019**.

Dear Sir or Madam,

For those who haven't heard about us or our event yet, we are a company specialised in Hotel floors and wall finishing based in Prague.

We would like to announce that we are organising a **Kart race** in Prague among **4* and 5* hotel managers**. These hotels may be or may not be our clients.

The event is **free of charge** and includes the Race (3,5 hour), Two hours of training (24/25-Sep.) and light buffet dinner on the day of the race for all participants including team supporters who are more than welcome to come.

Each hotel will be represented by the **team of four drivers** including at least one lady (all being managers working for a hotel). Additionally, each hotel team has to choose **one captain** who is in charge of coaching the racers and communicating with the organizers.

The teams will have to go through one evening of compulsory training where safety measures and rules will be explained in detail and the hotels will have a chance to race for one hour to work on a strategy. The date of the training will be specified.

THE HOTEL KART RACE

Your success in this race will be largely based on the ability of your team to handle three key issues;

- 1) **Teamwork, Team building**. It is a unique occasion to get your team together against other hotels teams on a benchmark not based on room occupancy rates.
- 2) **Training & Persistence**. Plays a very important role.
- 3) **Leadership**. You as a GM should appoint a *Team captain* (or you can become one yourself) whose leadership will be determinant

This event is an excellent opportunity for the hotel managers with the same interests to meet, compete, eat, drink (reasonably), dance and first of all to spend unforgettable time within a great company.

If you are up for this unique **challenging event**, please send us back the form (page 3) as soon as possible with the name of person who will be in charge to keep in contact with us (*the race coordinator*). Further information will be sent to you if you decide to sign in.

Because of the high interest of the hotels, we shall take registration on the basis of *first come first served* . . .

If you have any questions do not hesitate to contact us !
