THE HOTEL KART RACE

What is the role of the team Captain?

Synchronize the drivers, communicate with them, and communicate with the *Race Coordinators*.

Can the Captain be a racer?

No, The Captain must be always available for his team.

Who could typically be the Captain?

Historically for leadership reasons GM's were favorites for this position. But any senior manager with good strategic skills could do the job.

Who are the Race Coordinators with whom our Captain will communicate?

These are several persons appointed by us. They are in charge of different aspects of the Race. Track race coordinators and Jury race coordinators are dressed in red.

How to report a driver problem during the race?

The driver should speak to your captain and he will pass the info to the Race Coordinator.

How can I register our team?

Contact us. We will send you a form that you have to fill in. Then you will have some time to select your drivers. You are conclusively registered when your team is identified namely and went through the compulsory training.

How do I know if I am registered?

We will inform you by writing. You will receive Hoods and discount cards for training by messenger. Use your hood so we can spot you on the track.

Can I train alone whenever I want?

Yes. If you wish to improve your skills alone you can do it anytime. First check with the kart centrum if the track is free because sometime the track is booked. Use your discount card.

How to check if the track is free for training?

Check the contact of the Kart centrum or have a look on their website. Kart-centrum.cz
