How the penalties are applied ?	
1-	At the end of each race the supervisors returns the penalties (if any) of each team to the race control team.
2-	The race control team decides to apply or not the sanctions
3-	If the sanctions will be applied the captain of the team sanctioned will be informed.
4-	Only the race control team has authorities to apply, or change the rules and sanctions.
5-	The race results are not declared final till the penalties process is completed.
